

Kikis House (ref. 269)

€ 400,000.00 :: 3 bedrooms :: Sea View

A good sized detached house with sea views, on two levels.

Set in its own grounds with no immediate neighbours, this is a substantial property that has a good feeling of space, and with a little work could make a wonderful home.

Upstairs is essentially divided into four large rooms, and there are many original features including lovely floors, doors and windows. There's light from all sides, giving the property a spacious feel.

Downstairs, but not connected to the main house internally, is a separate self contained apartment that is comprised of a hallway and two rooms, and an outside bathroom.

The garden is pleasant, and is planted with trees and flowers, and there is plenty of space to spread out.

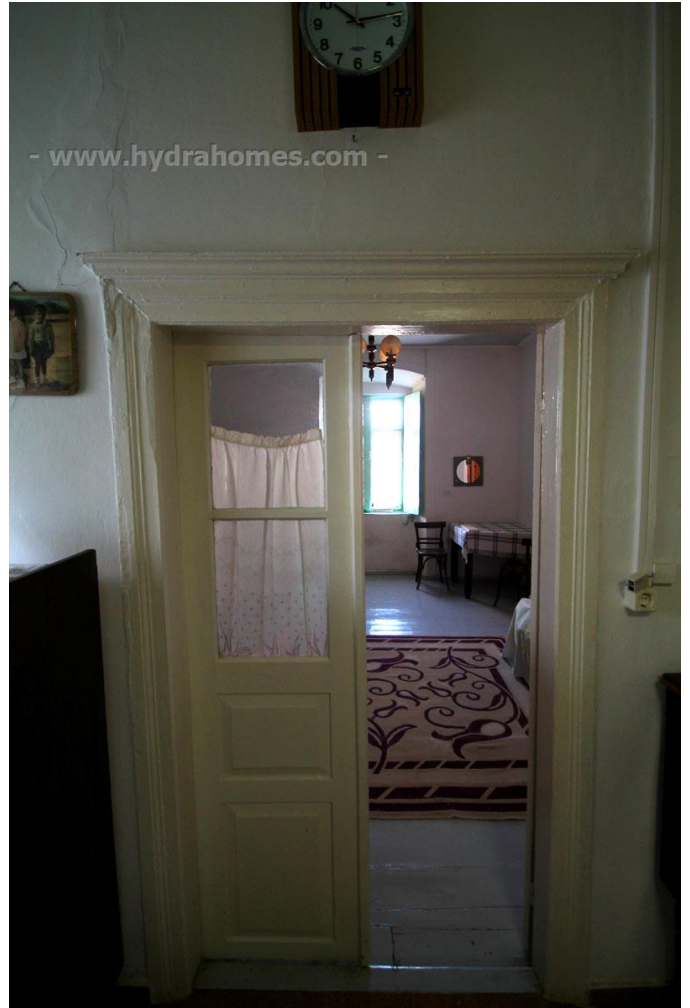

From the upper floor there are good sea views.

Although the house is habitable (the lower floor is currently rented), some updating will be required, especially to the kitchen, and a bathroom will need to be installed.

In addition to the house, there is a separate piece of land adjoining the property that is also for sale.

The house is in a plot of about 550 m², and the additional piece of land is around 200 m², and is offered at ?80,000.
