

Traditional House Near the Port (ref. 323)

€ 600,000.00 :: 4 bedrooms

A very attractive traditional island house, on the road that leads up to 'Kala Pigadia', but not too high to make access difficult.

This is an excellent location, on a broad street that slopes gently up from the port, and allows access for hand carts and motor vehicles.

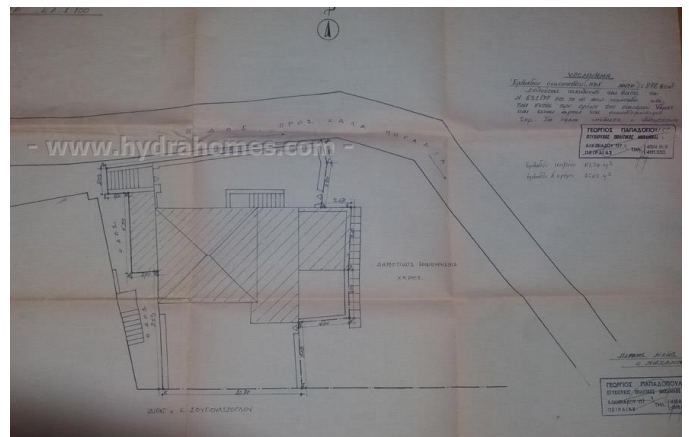

The house is on two floors, and occupies a total of 179m², with gardens front and rear.

The ground floor is divided into two separate areas, one with a self contained apartment of around 30m², with its own kitchen and bathroom, and the other with two rooms separated by three steps, a small kitchen and a bathroom. This area is currently used as a sitting room and bedroom.

Upstairs there is a large sitting room, two bedrooms and the entrance hall.

At the back of the house is an orchard, and the front is paved with stone.
